

Dear Family and Friends,

“For nearly 40 years this story has given faithful service to the Young in Heart; and Time has been powerless to put its kindly philosophy out of fashion. To those of you who have been faithful to it in return...and to the Young in Heart...we dedicate this picture.” This is the dedication as it appears in the opening credits of the “Wizard of Oz”. For 35 additional years, this story has still delighted the “Young in Heart”. It is our hope that our production will continue to delight.

Again and again, your children have amazed us with their perseverance, their determination and the passion that they have shown. Countless hours have been spent rehearsing, running lines, learning music and choreography, blocking, or simply waiting patiently for a “cue”. Through it all, our young performers have shown “courage”, have used their “brains” and have done it all with “heart”. So, “Follow the Yellow Brick Road” and journey with us as we take you “Over the Rainbow”.

Sincerely,

Mrs. Alfano, Ms. Russomano, and Mrs. Serio
(We are that “Man behind the curtain.”)
